26 Items for Information

- DALC Circular 5/2018
- AVBC ref missed bin collection Unfortunately, we can't put any extra collections into the schedule as the vehicles are now fully utilised until the end of November. The information we sent to all residents when they signed up to the service advised that, if we were unable to collect because of bad weather, they could put an additional 3 refuse sacks full of garden waste out at their next collection to make up for the 'missed' one (same policy as the refuse and recycling service) - this was also put on the front page of the website at the time. Effectively, we have therefore taken all the waste available at that time.
- DCC Library service update
- Came & Company Council Matters Spring 2018
- AVBC Free training on Development Management issues
- Bakewell Youth Shelter
- 2018 03 20 Derbyshire and Derby Minerals Local Plan – Spring 2018 Consultation
- Rescheduled Parish and Town Council Liaison Forum Thursday 10 May 2018
- Cllr Barry Lewis letter of thanks for snow wardens
- DCC Closure Church Road, Quarndon
- Ref repeater signs. Derbyshire County Council as the Highway Authority cannot condone the use of additional signage on the highway which is not authorised for use by the Department for Transport. In this instance it could be argued that any nonstandard speed limit signage introduced on the highway could invalidate any successful enforcement of the current speed limit. Therefore we would not support the Parish Council in regards to this matter.
- DCC update regarding disabled parking bays. I can confirm that the proposal has been withdrawn and the matter concluded. R Handbury 15.3.18
